**HARVARD COLLEGE PROJECT FOR
ASIAN AND INTERNATIONAL RELATIONS**

**HPAIR Harvard
Conference 2021**
January 15th - 18th, 2021

Dear delegates,

We hope you enjoyed Day 2 of the conference, in which we dove into the academic content of the conference and gained exposure to moderators and speakers through speeches, panel discussions, and fireside chats. Ahead is a recap of today, the presidents' recommendations for Day 3 events, and reminders.

Day 2 Recap

A lot of ground was covered during Day 2! We heard from our esteemed Keynote Speakers **Hari Nair** and **Lesly Goh**.

We heard from our accomplished guest speakers in panels and fireside chats throughout the day.

Martin Roll, CEO of Martin Roll Company, wanted to share two things from the **Changing Markets: Implications for Emerging Economies Panel**. Enjoy!
